☐ practice round course

※ click 'driving range (practice area) course'

P. 3

☐ instant lesson according to club

☐ steadily building a swing with the 6 iron (basic club)

※ click 'instant lesson according to club'

P. 4

- ☐ driver (tee up wood shot)  
☐ fairway wood shot (wood shot without tee up).  
☐ long iron (2 to 4 iron)

- ☐ basic iron (5 to 7 iron)  
☐ short iron (8 to 9 iron)  
☐ wedge

※ click 'driver'

P. 5

What kind of club is the driver?

What is the tendency of your driver errors?

(basic knowledge about clubs)

(In the case where a plurality of error tendencies are confirmed, errors are to be viewed in order starting from higher error frequency items)

- ☐ slice  
☐ hook  
☐ push out  
☐ pulled ball  
☐ duffed ball, popped up ball  
☐ topped ball  
☐ shanked ball - heeled ball  
☐ flight distance of ball is not long  
☐ ball doesn't rise  
☐ ball rises too high  
☐ shot is unstable  
(including missing the ball)

※ click 'slice'

P. 6

If you are concerned about slicing the ball, check the following items in order.

- ☐ address (grip, set up, alignment, ball position)  
☐ backswing (start = top of swing)  
☐ downswing (= finish)

※ click 'address'

\* from hereon the 'two screen software' instructional system using comparison is used

P. 7

Please select the likely cause of error from the following.

- ☐ grip  
☐ set up  
☐ alignment  
☐ ball position

user screen	basic screen	user screen	basic screen	user screen	basic screen	user screen	basic screen
----------------	-----------------	----------------	-----------------	----------------	-----------------	----------------	-----------------

※ click 'grip'

P. 8

- ☐ Are you gripping too hard with your right thumb and index finger?  
☐ Is there a larger gap between your right and left hands than there is according to the basic grip?  
☐ Do you have your wrists angled? (Are your hands in too high a position?)  
☐ Is the V shape at the base the thumb and index finger of your left and right hands overlapping?  
☐ Is the gap between your left and right hands too wide? ☐ Is there a gap next to your left little finger?

※ click 'Are you gripping too hard with your right thumb and index finger?'

P. 9

◎ Why do slices occur when gripping too hard with the right thumb and index finger...

- ☐ drill (← please click here)

P. 10

◎ drill
